Harbor Point Owners Association Trash Options

DUMPSTERS RESTRICTED TO HOUSEHOLD TRASH ONLY

No grass, leaves, limbs, tires, batteries, paint, building materials, dead animals

Dear Member:

The Trash Removal Program was adopted by the general membership at the annual meeting on July 9, 2009. The program requires a fee to be paid to Harbor Point Owners Association (HPOA) each month based on residency and usage.

Permanent resident or non-resident owners may choose not to use the dumpsters and handle their own trash. Owners who do not wish to use the dumpsters, please check #3 below so we have a record in your file.

Please choose one of the following options, sign and return to the HPOA address listed above. Payment may be made for each 3, 6 or 12 month periods.

- | | |
|-------------------------------------|----------------|
| _____ 1. Resident | \$120 per year |
| _____ 2. Non-Resident | \$60 per year |
| _____ 3. I will carry out my trash. | |
